# 2019 ASIA-PACIFIC EXTRACELLULAR VESICLES CONFERENCE

**KEYNOTE**

**Takahiro Ochiya**  
National Cancer Center, Japan  
"EV as a novel diagnostic & therapeutic target for cancer"

**SPEAKERS**

- **Sai Kiang Lim**  
  A*STAR, Singapore  
- **Hidetoshi Tahara**  
  Hiroshima University, Japan  
- **Lei Zheng**  
  Southern Medical University, China  
- **Yong Song Gho**  
  Poshan University, Korea  
- **Andrew Hill**  
  La Trobe University, Australia  
- **Andreas Möller**  
  University of Queensland, Australia

## Plenary Talks

I. Extracellular vesicles and mimetics  
II. Therapeutic applications of miRNAs, preclinical stage  
III. The role of extracellular vesicles in neurodegenerative diseases

## Symposium Sessions

- A. EV-based Cancer Diagnosis  
- B. EV-based Therapeutics  
- C. EVs in Cancer Metastasis  
- D. EVs in Cancer Proteomics & Genomics  
- E. EV Detection & Imagine  
- F. EVs in Cancer Biology

- ★ Hands-On Workshop + Technology Spotlight Luncheon

**JAN 19-20 · 08:30 - 19:00**  
Rm 102, COLLEGE OF MEDICINE NATIONAL TAIWAN UNIVERSITY

From basic research to translational clinical applications of extracellular vesicles
